To All Parties:

We have had a difficulty organizing a webex invitation for our pre-hearing conference this morning, so we will need to meet by telephone. This meeting can be recorded if all parties agree.

Below is a conference telephone number for you to use to call in, and an access code. Once we are all on the line we can discuss recording the conference.

1-800-753-1965

Access Code: 8967784#

Sorry for this last minute change of plans, but we will meet by telephone and make certain the hearing on the 28th will proceed appropriately.

Thank you, and I will look forward to talking with you all this morning at 10:00 am.
